

# HAMMER

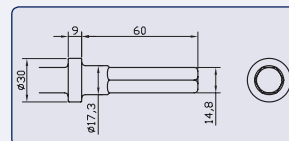

## AA-1.3BR (H)

### Characteristics:

- Toku hammers have been used for many years in various industries, e.g Demolition, Foundries, Construction etc.
- Toku only use the very best materials in the manufacture of their products giving the tools superior life.
- Due to popular demand we have included a version of this tool to our range with a solid retainer.
- The design of the solid retainer enables the use of pointed chisels as well as standard and wide.

Shank size 14,8mm 6KT / Ø17.3 mm x 60 mm &  
Shank size 14,8mm 6KT / Ø17,5 mm x 60 mm (on request)
